

GETTING STARTED WITH WVDELI

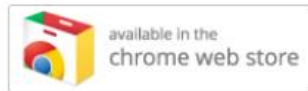

1. Go to www.kanawhalibrary.org. Click on “WVDELI” on the right side of the page, under Downloadables.

The screenshot shows the Kanawha County Public Library website. The header includes the library logo and navigation links: About Us, Get Involved, Help, Locations, News, Services, Search Collection, Search Site, and LOG IN. The main navigation bar features THE COLLECTION, EVENTS & CLASSES, LEARNING LAB, and COMMUNITY. A large red banner on the left reads: "THANK YOU TO ALL OF THE VOLUNTEERS AND COMMUNITY MEMBERS WHO LOVE THEIR LIBRARY. We love you!". On the right, there is a search bar and a "Search the Catalog Directly" section with icons for Books, Music, Research Tools and Resources, Magazines, Video, E-books, Audio Books, and Downloadables. Below the banner, there are three columns: "LEARN PLAY VISIT FIND" with a "NOV. 4 ELECTION" button, "UPCOMING EVENTS" listing Family Movie Night, Books 'N' More, Legomania!, Library Lego Club, and Memoir Writing 101; and "DOWNLOADABLES" featuring WVDELI, Zinio for Magazines, and Freegal Music.

2. There are two ways to read books: you can either read them in your browser while you're on the Internet (in which case you can skip to the **READ ONLINE** handout) or you can download them and read them on a computer or transfer them to a device like a Nook or a Sony Reader. If you want to download books, scroll all the way to the bottom of the page and click on SOFTWARE.

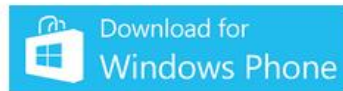

The screenshot shows the bottom of the website with a yellow background. It contains the following text: [Help](#), [Software](#), © 2013 OverDrive®, Inc., and [Important notice about copyrighted materials](#). At the bottom, there is a URL: 91FE66-3251-4548-A302-4D7C936DE3AB/10/50/en/Software.htm.

3. Click on OVERDRIVE MEDIA CONSOLE. It will take you to a new web page. Scroll all the way to the bottom and click on the kind of system that you have. Windows Desktop is pretty common for PCs.
